

Please review your name and book titles for accuracy and any last minute additions you may have. If you sent your data in the requested format (as you see below) then it was copy/pasted directly from your email. Around twenty people didn't, so I had to re-type, and that always offers a chance for errors/omissions.

I had trouble receiving email from one author, even after she tried multiple times. So if you sent your data and it's not listed below, please re-send to me and also cc sunni.jeffers@gmail.com just in case there are similar problems.

Remember: FHL's annual RWR ad is for books released through a publisher (not self-published, and not through a vanity press-- where the author must pay the publisher any fees.) The books are also to be first time releases (not re-prints, not previously published books now being brought out as e-books.)

It's not too late to add additional books and additional authors, though everything must be received by **Saturday, April 21st at 10 am** because I am leaving for Mexico, and our RWR advertisement designer must have the copy this weekend.

This is a beautiful, two-page advertisement each year. I'm so glad you are all on-board!
